BANKING V ACCOUNTANCY

COMPENSATION COMPARISON

It is undeniable that the earning potential within Corporate Finance Advisory in Investment Banking far out strips that of Accountancy Firms or working within Corporate Development. This is mainly due to the bonus culture. Never forget a career in Corporate Finance in Front Office Investment Banking offers you lots more than just big bucks:

- ◆ **Strong career progression**
- ◆ **High profile companies and transactions**
- ◆ **Ability to build your own network**
- ◆ **Interesting, fast moving, commercial projects**
- ◆ **Variety of firms to suit the work culture you are looking for!**
- ◆ **Great long term career options into Corporates or Buy Side**

WHY ALAN MITCHELL

IS THE BEST RECRUITER TO WORK WITH

We have been working with ACA's since 2002 helping them make the move into Investment Banking. We have recently placed the following candidates into Corporate Finance roles in Investment Banks:

2015 qualified ACA from Big 4 firm with audit experience—placed into a Corporate Broking Analyst role at a reputable ECM boutique.

2014 qualified ACA from Big 4 firm with 2 years Transaction Services experience—placed into a premier global boutique.

2014 qualified ACA with 6 months corporate finance advisory experience at accountancy firm—placed into M&A Analyst role with a high profile FIG focussed Boutique.

2014 qualified ACA with 1 year Capital Markets transaction services experience – placed into a Corporate Broking Associate role in a top ranked ECM boutique.

Whatever your experience we will find the right opportunity for you.

MAKE THE MOST OF YOUR ACA

What our candidates say:

“It was clear they paid a great deal of attention to the things I said in putting me forward for a role I may not have otherwise found.....”

“They were incredibly attentive and always followed up after every interaction I had “

“This level of care and dedication is extremely rare..... they were completely sensitive to just how daunting switching a career can be”

We provide professional, informed advice regarding the best way to conduct each individual job search or career change.

Recognising the strategic and financial importance of each turn in your career, we offer expert support and advice along with access to our comprehensive network of The City's decision makers.

All our consultants are experienced market experts and will work with you as a consultant – preparing you, advising you and honestly supporting you.

RECOMMEND A FRIEND

We have numerous Corporate Finance and Front Office Investment Banking opportunities we are sourcing for at the moment at all levels and for ACA's from all sorts of different backgrounds.

If you do know of anyone who would be interested in the opportunities we have please do refer them on to us or let us know their name and contact details. We will of course be totally discreet. Do not forget to get your friends to mention you have referred them as we do operate a recommend a friend scheme:

If we place (find a job for) the person you have recommended or referred to us we will say thank you by paying for a £200 dinner out for you. You select the venue and then send us the bill and we will reimburse you £200. It's as easy as that!!!!

Looking forward to hearing from you:
